

For Immediate Release

Chassis Plans Offers 5 Year Warranty on All Server Products

SAN DIEGO, CA, August 1, 2015 --- As part of its continuing drive to provide outstanding service and support to its customers, Chassis Plans is offering a 5 year warranty on its standard range of 1U to 5U Servers starting Aug 1, 2015. This will include all parts and labor and the cost of returning the refurbished and repaired server to the customer.

Mike McCormack, President of Chassis Plans stated “we are confident of the quality of the products we design and build in our factory in San Diego and want to provide an additional peace of mind to our customers that will assure them that they will always receive the most comprehensive service and support that our company can provide”.

About Chassis Plans

Chassis Plans is a design and manufacturer of servers, LCD displays, storage arrays designed and built in the USA for Military and Industrial applications.
