

CP North America, LLC

May 5, 2023

Certificate of RoHS, REACH, and WEEE Compliance:

This is to certify that the products that are produced and sold by CP North America, LLC comply with the REACH 1907/2006 E/C European Regulation for production and use of chemical substances and the Environment Canada Products containing Mercury Regulations, SOR/2014-254, the WEEE European Community Directive 2012/19/EU regarding waste of electrical and electronic equipment and the RoHS directive 2015/863/EU and do not contain hazardous substances as defined by the RoHS directive 2015/863/EU, except for those items listed below.

Exceptions: None

The products delivered with this order have been reviewed on the current REACH 233 ECHA Substances of High Concern (SVHC) Candidate list and do not contain reportable levels of SVHC as defined in Article 33 (1) & (2) "Substances of Very High Concern" EC Title VII, Chapter 1 Article 57. In addition, CP North America complies with the restrictions stated in Annex XVII of REACH.
